Date: _____

Name of Student: _____ Student Number: _____

Date of Written Exam: _____ Date of Oral Exam: _____

Research Area: _____

The Thesis Committee is required to evaluate the Qualifying Paper and the written and oral Qualifying Examinations as a whole. If they judge the student's performance satisfactory without condition(s), the student may proceed immediately to thesis research. If they judge it to have been satisfactory with condition(s), the student may proceed to thesis research only after completing additional work as determined by the Committee. If they judge the performance unsatisfactory, the student will be required to take the written and oral examinations again unless this is already his or her second attempt. If performance is judged unsatisfactory in a second attempt, registration in the doctoral program will be terminated.

Taking the Qualifying Paper and the written and oral examinations into account, the Committee determines that the candidate's performance is:

Satisfactory.

The Thesis Committee is invited to comment on the Candidate's performance. (If no comments are supplied, it will be assumed that the candidate's performance was average.)

Satisfactory with conditions.

The following conditions must be met by _____:
(date)

Unsatisfactory. Date for second attempt (before Sept 1): _____

Name	Thesis Committee Members	Signature
1. _____	(chair)	_____
2. _____		_____
3. _____		_____
4. _____		_____

Will the membership of the committee remain the same going forward?

Yes. If the student has passed the exam, please specify the supervisor(s)

No. In this case the student should make an appointment to meet with the DGS.

Any additional comments or information for the DGS:
