

PhD Revision Paper Requirement

University of Toronto

Date: _____

Name of Student: _____

Title of Revision Paper: _____

Revision Paper Requirement Faculty Supervisor: _____

Date of Paper Submission: _____

Research Area: _____

The Revision Paper Requirement is to be satisfied either sometime during coursework or in the summer immediately following coursework. The Revision Paper Requirement Faculty Supervisor is required to review and provide written or verbal feedback on the revision paper to the student. A second round of feedback and revision may be sought by the student or the faculty supervisor, after which time the student will again revise and submit.

Evaluation:

The Revision Paper Requirement Faculty Supervisor is invited to comment on the quality of the paper. (If no comments are supplied, it will be assumed that the candidate's performance was average.)

The Revision Paper Requirement has been met.

The Revision Paper Requirement has been met pending second revision as indicated below:

Any additional information or comments for the DGS:
